The Poetry of Arab Women from the Pre-Islamic Age to Andalusia

Wessam Elmeligi

Series: Focus on Global Gender and Sexuality

This is a compilation of poetry written by women from Pre-Islamic times to the end of the Abbasid caliphate and Andalusia, covering the period from the 600s to the early 1500s and offers translations of over 200 poets. The book is both a translation of poems, and a literary commentary on the poets and their poetry. Arabic Poetry by women during this period has been consistently underrepresented and this compilation seeks to fill this void, and utilises poetry by women as a valuable source for studies examining the role of women in their communities.
