

# About Our Hospital

ELKHORN VALLEY  
REHABILITATION HOSPITAL

# *We are passionate patient caregivers.*

At Elkhorn Valley Rehabilitation Hospital, we strive to create a healing and nurturing environment for our patients to meet their emotional and physical needs.

We provide inpatient and outpatient rehabilitation to people recovering from disabling injuries or living with chronic illnesses, such as:

- Strokes
- Brain injuries
- Spinal cord injuries
- Orthopedic injuries, including hip fractures
- Neurological conditions
- ALS (Lou Gehrig's Disease)
- Multiple sclerosis
- Parkinson's disease
- Amputations
- Burns
- Debility

## How we provide care

Our highly-trained and supportive staff works as a team with our patients and their family members to create individualized treatment plans so patients can maximize recovery and regain their independence.

Our patients have access to the latest rehabilitative technology, private patient rooms, a 6,000-square foot therapy gym with private treatment rooms, a heated aquatic therapy pool with an electric lift, and a therapeutic courtyard.

Services we provide include:

- Physician-led patient care team
- Rehabilitation nursing care
- Respiratory care
- Physical, occupational and speech therapies
- Aquatic therapy
- Wound care
- Case management/social services
- Dietary
- Pharmacy
- Pain management

# RECOGNIZED NATIONALLY. HEALING LOCALLY.

## National Recognition

Elkhorn Valley Rehabilitation Hospital is consistently ranked in the top 10% nationally for rehabilitative care that is patient-centered, effective, efficient, and timely.

The hospital has earned The Joint Commission's Gold Seal of Approval for its Stroke Program and Hip Fracture Rehabilitation Program by demonstrating compliance with The Joint Commission's national standards for healthcare quality and safety in disease-specific care.

## To Make a Referral or Request a Tour

Contact our admissions department at 307.265.0005. One of our clinical liaisons will respond to perform a pre-admission assessment. We offer same-day response, seven days a week.
