

Working together to work wonders.

Speech –Language Pathology Resident Opportunities (Clinical Fellowships)

The University of Texas Medical Branch at Galveston (UTMB), located on Galveston Island about 50 miles south of Houston, is a leading academic medical center that has helped defined the future of health care for more than a century. UTMB's nearly 11,000 employees have a well-earned reputation for meeting the health needs of Texas and beyond by educating future healers and scientists, expanding the body of medical knowledge through research, and providing advance clinical care in a highly collaborative environment.

Requirements

Our unique one-year residency in Speech-Language Pathology begins each year in June and provides exposure to a full range of diagnostic and treatment services for patients of all ages. During the one-year commitment, the resident fulfills their requirements for the ASHA Clinical Fellowship year. Our dynamic team of Speech –Language Pathologist provides comprehensive inpatient and outpatient services to adults.

The successful candidate will have completed their Master's Degree program and have a special interest in acute care with prior externship experience in a hospital setting. All Candidates must be eligible for a Texas Intern License. Please apply online at <http://jobs.utmb.edu> and submit a letter of interest, resume, list of practicum hours and sites, official transcripts and three letters of recommendation to:

Kathleen Kerr, MS, CCC-SLP

Assistant Director
