

## Immediate Opening for Full-Time Pediatric Speech Therapist

### Job Summary

**Connect the Dots Pediatric Therapy** is a therapist-owned provider of pediatric Occupational, Physical and Speech therapy in Eugene and Roseburg. Our mission is to provide the children and families we serve with holistic, direct therapy services that improve their quality of life.

We are currently accepting applications for a Full-Time **Pediatric Speech Therapist** to serve children in our **Roseburg** clinic.

### Job Description:

- Observe and evaluate children to determine current level of speech function and strengths and weaknesses.
- Create Plans of Care and implement one-to-one treatment.
- Document accurate daily notes, evaluation and progress reports and accurate codes for billing insurance companies.
- Adhere to established rules, regulations and laws.
- Work cooperatively with families and fellow staff members.

### Key Skills and Attributes

- Ability to gather information from a variety of sources.
- Be prepared to begin and end sessions on time and with a plan of treatment.
- Demonstrate excellent time management skills.
- Ability to communicate clearly with various stakeholders.
- Experience with Autism Spectrum Disorders and non-verbal children a plus.
- Telehealth experience is a plus but not required.
- Bilingual talents are a plus.

### Application requirements:

- Resume
- References
- Current Oregon License Status
- CFY applicants encouraged
- Prior to hire a background check will be performed

**Job Type:** Full-time

**Pay:** Depending on Experience with Paid Time Off, Medical/Vision/Dental insurance, Retirement and more.

### **COVID-19 considerations:**

Connect the Dots has implemented a variety of safety measures to keep staff and clients safe from COVID-19. Please review some of our protocols at <https://bit.ly/37vImid>.
