

Bilingual Speech-Language Pathologist

Hood River, Oregon

****Lead SLP position available for candidate with at least 5 years of pediatric therapy experience and strong leadership skills. Previous leadership experience a plus!****

Play Works Children's Therapies is a multidisciplinary pediatric therapy clinic located in Hood River, Oregon, servicing the greater Columbia River Gorge region. Play Works provides Speech and language therapy, occupational therapy, physical therapy, feeding therapy/nutrition services, and ABA for children ages 0-18 years.

We are looking for a hard-working, playful, and dynamic bilingual SLP who has experience working with the pediatric population. We value our team members who inspire children and support their families. At Play Works we strive to work closely with children, families, and other professionals to help every child reach their maximum potential. Therefore, we strive to provide a positive, friendly work environment that supports its staff to their full potential.

If you are looking for a work environment that provides a high level of job satisfaction due to a supportive group of co-workers and a rewarding caseload of children and their families, you are encouraged to apply!

Requirements:

Education and License to work as an SLP in Oregon

1 year of pediatric SLP experience

Positive Attitude, flexibility, and ability to collaborate within a team environment

Exhibits good interpersonal relationships and communication skills.

Experience in treating pediatric feeding disorders, or desire to learn a plus!

Available to meet the needs of our school-aged children via after-school appointments

We offer competitive pay, benefits, and true Work-Life Balance. Our team members are treated to free professional development, continuing education, fun celebrations, off-hours adventures, and opportunities to give back. When you join Play Works, you join a team of open-minded professionals with a diverse skillset and an organization that recognizes that our people are what makes us special!
