Maxim, "The Company," is an Equal Opportunity Employer, dedicated to a policy of nondiscrimination in matters involving our patients and our employees. The Company does not condition, exclude or deny admission or treatment of any patient, nor assign personnel or facilities, based on race, color, age, religion, national origin, citizenship status, creed, gender, marital status, sexual orientation, political affiliations, medical condition, disability or handicap, or any other basis prohibited by federal, state or local law.

"Maxim clearly values communication, collaboration, and respectful relationships in service of the district's mission - student success. All of our interactions with the Maxim staff have been very professional and competent. It is a pleasure to work with them."

MARTIN Z., CALIFORNIA

About Us

Since 1988 in response to a national nursing shortage, we have connected the nation's top talent to a variety of healthcare partners. We specialize in creating meaningful career opportunities for medical professionals including nurses, allied health professionals, locum tenens, travel nurses, medical coders, and more. Our healthcare staffing and workforce management services are focused on hospitals, schools, government programs, correction facilities, and managed care organizations. We are passionate about connecting people to the work they love while filling critical staffing needs so that patients don't go without care.
