

Speech-Language Pathology Practicum Placement

Complete a full-time practicum working with deaf and hard-of-hearing college students at RIT's National Technical Institute for the Deaf * in Rochester, NY.

- Work in a dynamic educational setting with deaf and hard of hearing students with a wide range of communication skills and goals.
- Learn from experienced and knowledgeable ASHA certified and NYS licensed SLPs in the specialized field of deafness.
- Enjoy the support and collaboration of on-site audiologists.
- Opportunities for learning/improving ASL skills and knowledge of Deaf Culture.

Applications should include the following information:

- Resume and references
- A list of coursework completed to date
- Clinical experience to date (placements, brief description of population)
- Any other relevant experience
- Your program requirements regarding: Length of practicum (number of weeks) and Number of clinical hours expected
- Your availability, including: semester/weeks and hours each day
- A personal statement, which should describe why you are interested in providing services to the deaf/hard of hearing population, and what you hope to gain from this experience.

Dates: Fall semester (August - December 2021)

Application deadline: April 1, 2021

Application materials should be sent to:

Barbara Sinclair, Staff Assistant
Communication Studies and Services Department
E-mail: bxsnca@rit.edu
