

Caring for someone with dementia?

Researchers at McMaster University are
seeking participants for an online survey
exploring the needs of family caregivers

To participate you must be:

- An unpaid caregiver for a family (or a chosen family) member with dementia
- Living with the care recipient
- Caregiving for 2+ months
- 18+ years old

Task: Take a 30-minute survey

Compensation: \$40 gift card

Access the survey:
