

# Voluntary COVID-19 Testing

COVID-19 Monitoring and Assessment Program (MAP) has expanded COVID-19 testing to include key employee and student groups. Testing is voluntary, not mandatory.

Do not participate if you:

- Tested or diagnosed as positive for COVID-19 in the past 90 days.
- Are currently isolating or quarantining due to contact with a known positive case.
- Are feeling sick or experiencing COVID-19 symptoms.
