

THE CENTER ON PARENTING AND OPIOIDS (CPO) PRESENTS:

MENSTRUAL HYGIENE DRIVE FOR PEOPLE EXPERIENCING HOUSELESSNESS

What: The CPO is collecting menstrual hygiene products to donate to the HIV Alliance Street Outreach Team serving Lane County residents.

Why: A recent CPO study, in partnership with the HIV Alliance, found that female-identified syringe exchange clients experiencing houselessness reported menstruation products are hard to access and greatly needed. Limited access to menstrual products increases health risks for vaginal and urinary tract infections, severe reproductive health conditions and toxic shock syndrome.

TWO WAYS TO PARTICIPATE:

1. **In-Person:** Drop off products in collection bins at between Feb 21st-25th at:
 - LISB CTN Lobby
 - HEDCO Lobby
 - UO Holden Center for Leadership & Community Engagement (1st Floor, EMU)

2. **Virtually:** Send an online Target gift card to parentingcenter@uoregon.edu

PROVIDE DONATIONS:

February 21st - 25th

ACCEPTING UNOPENED:

- (All sizes)
- Tampons
- Pads
- Menstruation cups
- Wipes
- Underwear
