

Change & Impact and the UO chapter of the National Student Speech Language Hearing Association proudly present:

MICHAEL KIDD-GILCHRIST

Monday, February 6th

5:00-6:30 pm

Erb Memorial Union
Redwood Auditorium

Join us for a public conversation with Michael Kidd-Gilchrist, NBA player, founder of Change & Impact Inc., and a person who stutters, as he visits the Communication Disorders and Sciences program at the University of Oregon.

This event, open to all University and community members, will highlight the role of speech therapy for people who stutter and the need for greater awareness and advocacy.

Contact cds@uoregon.edu for more information or to request accommodations.

1.0 Professional Development Hours (CEUs) available for speech language pathologists
