

UO Women in Graduate Science Presents...

9th Annual

Winter Fundraiser

Featuring speaker Dr. Virginia Weis

"Being a coral biologist during the climate crisis: Grief, hope and the importance of discovery in developing climate solutions"

Thursday, March 9, 6–8pm PST
Ford Alumni Center

**Please join us as we celebrate
our continued growth and
success!**

**This event will include a silent auction,
buffet style dinner and a wine & beer bar.**

All tickets include a drink ticket:

\$30 Student, \$70 Single

**Dr. Weis is a marine
physiologist with a focus on
coral-algal symbiosis at
Oregon State University.**

From 5-6 pm, join us for a **FREE** cocktail hour and brief panel where you are invited to learn about WGS's initiatives, mix with members and hear from WGS scholarship recipients about their research and experiences.

Thank you to our Sponsors!
