

Hello fellow doctoral students!

You are invited to participate in a research project aimed at better understanding attitudes and expectations of doctoral psychology students towards working with certain clinical populations.

As a thank you for your participation in the study, you will receive a \$5 gift card to a coffee shop because I know as grad students - we need the *caffeine*! 😊

Participants will be asked to complete an online survey, which takes approximately **20-25 minutes** to complete. Your information will be kept confidential. To participate, you must meet the following eligibility criteria:

- 1) Currently enrolled in a doctoral (i.e., Ph.D., Psy.D.) graduate program in either clinical or counseling psychology
- 2) Currently located in the United States
- 3) Currently 18 years of age or older.

If you would like to participate in this study, click on the link below or copy the link to your browser. Please forward this email along to anyone you know who may be eligible to participate.
