

TRANSFERRABLE SKILLS

How to identify, develop, and sell your skills for careers outside of academia

Topics covered will include

- What careers are available outside of academia?
- What skills are most valuable in today's job market?
- How can I develop relevant skill sets during graduate school?
- How do I make the transition from student to professional?
- When should I start working on my next steps?

March 1st

3:30 PM

Susan Campbell Hall

Workshop led by Jackie Wirz, PhD

Assistant Dean, Graduate Studies

Director, Career & Professional Development Center

Oregon Health & Science University
