HEDCO CLINIC PRESENTS FREE
TALK**

**TANGLED ROOTS AND
RAMIFICATIONS: TRAUMA,
AUTISM, AND
NEURODEVELOPMENTAL
DISABILITIES**

**Randall Phelps, MD, PhD, Associate Professor
of Pediatrics, OHSU will provide an overview of
the history of diagnostic confusion of autism
and of trauma and stress related disorders,
which has confounded diagnosticians since
these conditions were first described.
Implications for diagnostics and
developmental-behavioral care will be
discussed and modest proposals for solutions
will be discussed.**
