

The Couples and Family Therapy (CFT) program in the Department of Counseling Psychology & Human Services in the College of Education is seeking two research assistants for fall term 2019. There is the potential for this position to continue into future terms for the 2019-20 academic year as well as the 2020-21 academic year. This position will assist with preparing scholarly manuscripts, qualitative and quantitative data collection and data analysis. Salary is commensurate with experience.

Dr. Muruthi's research focuses on three main research areas (a) migration, resettlement, and transnationalism of documented and undocumented immigrants, (b) predictors of risk and resilient behavior in immigrant families, and (c) development of intervention and prevention programming for immigrant families.

Preferred qualifications:

- Bachelor's degree
- Students who have taken a research methods course
- Students who have experience with technical writing for academic journals

To apply for this position, please email the following information to Dr. Bertranna Muruthi (muruthba@uoregon.edu):

- The name of the program in which you are enrolled at UO
- What year you are enrolled in your program (1st, 2nd, etc.)
- A scholarly writing sample (with references)
- A brief description of your research experience

Application materials should be submitted by Friday, October 25, 2019.
