

The Prevention Science Program at the University of Oregon in Eugene is accepting applications for its two masters' programs (1-year MEd and 2-year MS), and will continue rolling admissions until July 31, 2020.

Program Description: The Prevention Science Program has 19 faculty with inter-disciplinary backgrounds and diverse research interests. In 2019, our faculty spent nearly \$8 million on externally funded research projects. For more information about UO's Prevention Science Program and faculty research interests, click here: <https://education.uoregon.edu/prevsci>. Be sure also to visit the Prevention Science Institute website: <http://psi.uoregon.edu/>.
