

Concur Mobile now is accessible via the UO shibboleth log-in.

- 1) Be sure to accept and launch all updates to the SAP Concur mobile app. Concur no longer supports old platforms. Or download the Concur Mobile app if you have not yet done so by going to your App Store or Google Play.
- 2) Click is the link at top that says "Take me to the old Sign in experience",

3) When you see this screen, select SSO Company Code Sign-in:

[<Take me to the new Sign In experience.](#)

SAP Concur 

Sign in to Concur

NEXT

[Forgot Password?](#)

OR

[SSO Company Code Sign In](#)

4) User is then presented with the following screen and must enter the SSO Company Code: KVAEK

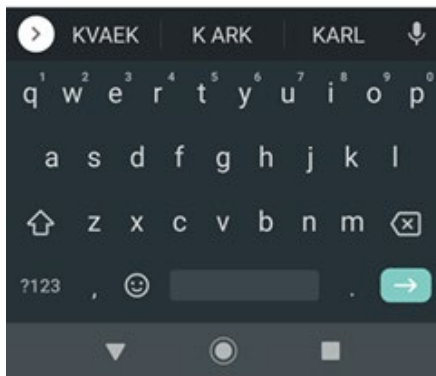

Sign In With SSO

KVAEK

SIGN IN WITH SSO

Use SSO if your company has issued an SSO company code.

5) Then you will be sent to UO Shibboleth to login.

Please log in with your **Duck ID** to access the requested service.
To protect your privacy, always log out and quit your web browser when finished.

5.) To get the option to remember for 7 days, cookies must be enabled in whatever default browser the iPhone is set to. This is the same for all shibboleth services at the UO so users should be fine with enabling cookies. Here's a link that can help people turn them on:

<https://support.google.com/accounts/answer/61416?co=GENIE.Platform%3DiOS&hl=en>

[Turn cookies on or off - iPhone & iPad - Google Account Help](https://support.google.com/accounts/answer/61416?co=GENIE.Platform%3DiOS&hl=en)

To use your Google Account on a browser (like Chrome or Safari), turn on cookies if you haven't already. Important: If you get a message that cookies are turned off, you need to turn them on to use y
