

# DREAMS WITHOUT LIMITS

*Changing Perceptions about People with Disabilities*

Photography by Jon Christopher Meyers  
Stories by Laura Dahill

*"Through the pages of this book, you will see many inspiring photos showcasing the dignity and commitment of Oregonians with disabilities in the workforce, as well as families with young children and teens who have dreams of what they hope to accomplish someday. You will see the skills, passions, and talents that these Oregonians bring to their jobs, and how that diversity enriches our daily lives. Oregon remains committed to supporting all people, including those who experience disabilities, to live and work in their communities, and above all to dream without limits."*

— Governor Kate Brown
