

Launch your international career!

Internship Opportunity Fall 2023

People with disabilities and others encouraged to apply!

If your dream career involves human and disability rights, cross-cultural exchange, and working with diverse populations, an internship at Mobility International USA (MIUSA) is your opportunity to think globally and act locally!

MIUSA, a non-profit based in Eugene, empowers people with disabilities around the world to achieve their human rights through international exchange and international development.

This is a three month remote internship between Oct - Dec, 2023. 10-20 hours/week preferred. Academic credit for internships is optional.

For more information, contact:
Suz Dunn, Internship Coordinator
