

LISTENING SESSIONS

Our aim is to hear from individuals with the highest levels of support needs. We hope to understand what you want to see in DD services, what barriers you experience and where you need support in your life. We will use this information to advocate for improvements to DD systems and invite you to join us in advocacy opportunities.

- The Oregon Council on Developmental Disabilities

Friday
February 23, 2024

Do you have questions?

Lane County DD Services Office
- Riley Room
2513 Martin Luther King Jr. Blvd.
Eugene, Oregon
