

# CROSS-COLLECTIVE COLLABORATION STUDY

Hi! My name is Liz and I am an undergrad WGSS student and disabled sex worker looking into the overlapping marginalities of disabled people and sex workers for the purpose of rights and movement building.

## SURVEY INFORMATION

### Participants must be:

- 18 years of age or older
- A permanent Oregon resident
- A current or former sex worker and/or a currently or formerly disabled person

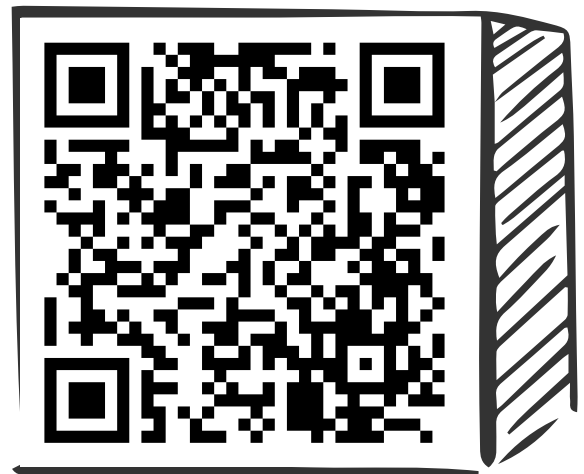

### The survey consists of:

- 3 demographic questions
- 10 short answer written questions

The survey should take ~ 15-30 minutes to complete.

While there is no monetary compensation available, you will have the extreme gratitude of the researcher (me, Liz!).
